CARE CONTRACT RESTRUCTURING DUE DILIGENCE

The care sector is facing increasing financial pressure

Care providers are looking for ways to reduce their overheads. One option is to restructure their contracts with local authorities to minimise the provider's VAT costs.

Local authorities must consider many factors before agreeing to care contract restructuring proposals, including legal and regulatory requirements, procurement rules, contractual obligations, and tax compliance.

HOW WE CAN HELP YOU

PSTAX and leading public sector law firm, Sharpe Pritchard can help local authorities conduct the necessary due diligence to ensure that all factors are considered and that the restructuring is in the best interests of the local authority and its service users.

ENSURE CONTINUITY OF CARE

NO RISK

We will ensure your local authority operates within its specific legal framework and meets its numerous regulatory responsibilities.

NO COST

Our Due Diligence Service is conducted at no cost to your local authority. The due diligence is paid for by the the care provider.

NO HASSLE

We'll take care of the whole process and deal directly with the provider and its advisors.

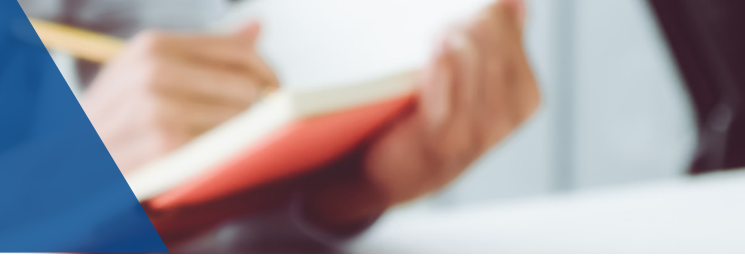
ABOUT PSTAX



PSTAX is a specialist tax advisor for the public sector. We provide tailored advice, consultancy, and training to public sector bodies.

Our team of experienced consultants has a deep understanding of the specific tax issues that public sector bodies face, and we are committed to providing pragmatic solutions that meet your needs.

We have advised dozens of local authorities about the risks and benefits of care contract restructuring. We can help you too, ensuring a risk-free continuity of care.

Let us manage and minimise the disruption of care contract restructure

A care provider can have several reasons for wanting to restructure its operations, one of which is that it can allow them to reclaim significantly more VAT costs.

Restructuring proposals must meet the specific requirements of local government legal frameworks. Our due diligence service ensures you can continue to meet your responsibilities if you agree to restructure.
